

Example Health Certificate for the Temporary Exportation of Horses from The United States to a Contagious Equine Metritis Affected Country - Eligible for Three Day Quarantine

I. Animal Identification (include silhouette or attach copy of passport photo)

NAME	BREED	SEX	AGE	COLOR

Passport: _____

Microchip: _____

II. Residency Information:

Country of Residence / Origin: _____

Address of Premises of Residency / Origin: _____

Residency Period - Date of Entry: _____ **Date of Departure:** _____
(mm / dd / yyyy) (mm / dd / yyyy)

III. Equine Health Attestations:

I, the undersigned, certify that the horse described above meets the following requirements:

- a. The horse has been residing in the country specified above for _____ (number) days;
If residing less than 60 days, the horse must be accompanied by a like health certificate issued by a full-time salaried veterinary officer of the National Government, of each country in which the horse has been during the 60 days immediately preceding re-exportation to the United States;
- b. The horse described was inspected on the premises listed above on _____ (mm/dd/yy), and was found to be free of contagious diseases and, insofar as can be determined, not exposed to communicable diseases immediately preceding exportation, during the indicated period of residency;
- c. The horse has not been vaccinated with a live, attenuated or inactivated vaccine during the period of residency (if less than 14 days), or within the last 14 days preceding exportation;
- d. That, insofar as I can determine, African horse sickness, dourine, glanders, surra, epizootic lymphangitis, ulcerative lymphangitis, equine piroplasmiasis, equine infectious anemia (EIA), contagious equine metritis (CEM), vesicular stomatitis, or Venezuelan equine encephalomyelitis has not occurred on the premises listed above during the period of residency, nor have these diseases occurred on any adjoining premises during the same period of time;
- e. The horse was examined and found to be free of ectoparasites.

Additional attestations for mares and stallion temporarily exported from the US to a CEM affected country:

- f. Insofar as I can determine, since departure from the United States on _____ (mm/dd/yyyy), the horse:
 - o has been held separated and apart from all other horses except for the time it was actually participating in an event or was being exercised by its trainer;
 - o has not been on any premises where horses were held or used for breeding purposes;
 - o has not been bred nor had other sexual contact or genital examination while residing in the above country;
 - o has been transported only in cleaned and disinfected vehicles and was not accompanied by any other horse of a different health status.
